Dedication

Because this very well may be the last year for Fair Oaks High School as an entity in itself, we, the class of 1965, dedicate this final annual to the first class graduated from Fair Oaks High School, the Class of 1919. For these past forty-six years students have studied and procrastinated, worked and played, laughed and cried, fought and reunited within these walls. From these experiences we have learned to be better citizens. Our best wishes go with the students of Union Township wherever they may be in school.
